

Barking Owl

WESTERN AUSTRALIA

WINE	Barking Owl Semillon Sauvignon Blanc	
VINTAGE	2008	
REGIONS	Geographe	75%
	Perth Hills	15%
	Margaret River	10%
VARIETIES	Semillon	70%
	Sauvignon Blanc	30%

VINTAGE NOTES

The 2008 season was once again excellent for white grape varieties with even and moderate temperatures and no summer rain. There were a couple of hot days in February, but the overall growing season was early and moderate producing completely disease-free fruit of optimal ripeness.

This wine is a blend of fruit from the Ferguson Valley in the Geographe Region, and the Perth Hills and Margaret River regions.

ANALYSIS

Alcohol 12.0%, pH 3.50, TA 7.0 g/L

TASTING NOTES

Colour Very pale straw with lime green hues.

Aroma A classic Western Australian blend that exhibits fresh snow pea, passionfruit and lemon zest aromas.

Palate Dry with a crisp, fresh and wonderfully lingering backbone of flavour. Passionfruit and snow pea are interwoven with a small component of barrel-fermented Semillon which produces subtle, spicy, citrus oak flavours to the wine.
