REGIONS	Geographe	68%
	Margaret River	22%
	Great Southern	10%
VARIETIES	Sauvignon Blanc	85%
	Semillon	15%

VINTAGE NOTES

The 2009 season was once again excellent for white grape varieties with even and moderate temperatures and no summer rain. The overall growing season was early and moderate producing completely disease-free fruit of optimal ripeness.

This wine is a blend of fruit from the Ferguson Valley in the Geographe region, Margaret River and the Great Southern regions of Western Australia.

ANALYSIS

Alcohol 13.0%, pH 3.20, TA 6.70 g/L

TASTING NOTES

Colour Very pale straw with lime green hues.

Aroma A classic Western Australian blend that exhibits passionfruit and fresh citrus blossom aromas.

Palate Dry with a crisp, fresh and wonderfully lingering backbone of flavour. Passionfruit, citrus and snow pea are interwoven with a very small component of barrel-fermented Semillon which contributes subtle, spicy oak flavours to the wine.
