

## Barking Owl

WESTERN AUSTRALIA

WINE	<b>Barking Owl Sauvignon Blanc Semillon</b>	
VINTAGE	2011	
REGIONS	Geographe	65%
	Margaret River	35%
VARIETIES	Sauvignon Blanc	65%
	Semillon	35%

### VINTAGE NOTES

The 2011 season was once again exceptional for white grape varieties with warm temperatures and no summer rain. The overall growing season was early and warm producing completely disease-free fruit of optimal ripeness.

This wine is a blend of fruit from the Ferguson Valley in the Geographe region, and the Margaret River region of Western Australia.

### ANALYSIS

Alcohol 12.5%, pH 3.19, TA 6.2 g/L

### TASTING NOTES

Colour	Very pale straw with lime green hues.
Aroma	A classic Western Australian blend that exhibits passionfruit and fresh citrus blossom aromas.
Palate	Dry with a crisp, fresh and wonderfully lingering backbone of flavour. Passionfruit, citrus and snow pea are interwoven with a very small component of barrel-fermented Semillon which contributes subtle, spicy oak flavours to the wine.

### CELLARING

Drink and enjoy now.

### SHOW SUCCESS

Bronze Qantas Wine Show of WA Mt Barker 2011
