WINE	Millbrook Sauvignon Blanc	
VINTAGE	2009	
REGIONS	Margaret River	54%
	Great Southern	35%
	Geographe	11%
VARIETY	Sauvignon Blanc	100%

VINTAGE NOTES

The 2009 vintage was a reasonably early vintage for the whites which resulted in fresh and elegant fruit characters in the resultant wine. The white wines in general display fresh varietal fruit with lifted, aromatic primary fruit flavours.

The 2009 vintage produced wines with wonderful palate weight and structure. The wine was 80% tank-fermented using VIN 7, X5 and QA23 yeast at 10–12°C for 3–4 weeks. Of the final blend, 20% was barrel fermented in seasoned French oak and lees stirred for two months.

ANALYSIS

Alcohol 13.1%, pH 3.30, TA 7.1 g/L

TASTING NOTES

Colour Clear and bright, and very pale straw in colour.

Aroma The wine displays clean and very intense passionfruit and lime juice aromas.

Palate A dry, very well balanced wine that reveals crisp acid, intense and lingering fresh passionfruit fruit characters with an underlying lime-citrus note. A medium-bodied wine that has great textural qualities and super persistence.

CELLARING

Enjoy now.
