VINTAGE	2005	
REGION	Perth Hills	100%
VARIETIES	Shiraz (Estate)	60%
	Cabernet Sauvignon	40%
PRODUCTION	110 Cases	

VINTAGE NOTES

The 2005 vintage in the Perth Hills was widely praised for its quality. The red wines have pronounced fruit flavours and deep purple colours.

The Shiraz was sourced from the estate, vinified in open top fermenters and plunged thrice daily.

The Cabernet was sourced from Roleystone and fermented in a closed static fermenter for two weeks with a period of post fermentation maceration of four weeks at a temperature of approximately 20°C.

After settling, the batches were racked to oak for malolactic fermentation. The oak used was 50% new and 50% one-year-old French oak from the Saury, Francois Freres and Meyrieux cooperages. After 22 months maturation the wine was minimally filtered and bottled in March 2007.

ANALYSIS

Alcohol 14.5%

TASTING NOTES

Colour	Bright, deep ruby red with purple hues.
Aroma	The wine reveals a vibrant array of plum and blackcurrant, with underlying vanillin oak on the nose.
Palate	A full-bodied wine with plum and blackcurrant fruit characters and a succulent mid palate. Excellent oak integration and ripe black fruit are finely balanced with elegant and refined tannins.

CELLARING

Potential to age for 10–15 years.
