## 2010 Viognier Lunch

Millbrook's annual Viognier lunch is taking on a new and exciting format for 2010!

The day will begin cocktail style in the tasting room where Millbrook's new release wines, including our first ever release of a Millbrook 2010 Regional Riesling, will be served with canapés. The main course, which will be served in the restaurant in a round table format, has been designed to showcase Millbrook's Viognier range from the almost perfect 2009 vintage, in addition to a Viognier from an iconic Australian producer and one from the best of Condrieu.

Head Chef, Guy Jeffreys, has created a menu to complement these outstanding wines and will incorporate fresh produce grown and handpicked on the estate.

Senior Winemaker Damian Hutton will facilitate the Viognier tasting and discussion over lunch which will be finished with two excellent Australian cheeses matched to the highly acclaimed Millbrook 2007 Estate Viognier and Millbrook 2007 Estate Shiraz Viognier.
